I understand that studying at postgraduate level requires proficient computer literacy and high levels of academic language and self-directed learning competency. I accept responsibility for ensuring that I acquire and demonstrate the necessary writing and referencing skills to successfully complete the required coursework.

I understand that studying the topic of trauma has the potential to be a catalyst for reactions that may be distressing or uncomfortable. I commit to take responsibility for my own mental, physical, emotional, relational, and spiritual well-being whilst I am a student of this programme.

I also understand that whilst there will be taught content that is intended to be of benefit to my

personal and professional practice, skills and knowledge that I have lea	that BTI cannot undertake to be responsible for how I utilise the arned as a student at BTI.
